

AMEL FARHAT, PhD

ANALYST IN QUALITATIVE AND QUANTITATIVE RESEARCH

Profile Professional Experience

I welcome challenges with a 'just do it' attitude and a focus on quality. Having a research background I developed strong analytical skills. I consider learning as an integral part of each project and I mastered self-learning techniques so that I can deliver on various topics. I thrive under pressure and always deliver despite tight deadlines.

Skills

- ✓ Complex data analysis
- ✓ Tech-savvy
- ✓ Communication
- ✓ Reliability & time-efficiency
- ✓ Problem-solving
- ✓ Creative
- ✓ Teamwork
